Revised: 12.02.10
Historically Underutilized Business Subcontracting Plans (HSP) Tip Sheet

The Historically Underutilized Business (HUB) Program of The University of Texas MD Anderson Cancer Center (MDACC) was established to identify Historically Underutilized Businesses and encourage them to participate in the competitive bid process with the objective of increasing the number of contracts awarded to HUB vendors.

Helpful Websites & Contacts:

- MDA Bid Opportunities: [www4.mdanderson.org/procurement/bids](http://www4.mdanderson.org/procurement/bids)
- Supplier Registration: [www.mdanderson.org/suppliers](http://www.mdanderson.org/suppliers)
- Women’s Business Enterprise Alliance: [www.wbea-texas.org](http://www.wbea-texas.org)

4 HUB Subcontracting Plan Options:

**Option 1** - (Method A) Respondent will subcontract with only HUB vendors. (No continuous contract exists with HUB exceeding 5-years in place.)

**Option 2** - (Method A) Respondent will subcontract with HUB and non-HUB vendors but the percentage subcontracted to the HUB **meets or exceeds the HUB Goal** the contracting agency identified in the “Agency Special Instructions/Additional Requirements.” (No continuous contract exists with HUB exceeding 5-years in place.)

**Option 3** - (Method B) Respondent will subcontract with HUB and non-HUB vendors (or only non-HUB vendors), and the aggregate percentage of subcontracting with HUB vendors **does not meet or exceed** the HUB Goal the contracting agency identified in the “Agency Special Instructions/Additional Requirements”.

**Option 4** - Self-Performance

Completing the Forms

Reference the “HSP Quick Check List” as well as “General Guidelines for Completing HSPs” on page 2 of this document.

Good Faith Effort Determinations (GFE):

Good faith effort applies to Option 3 – Method B.

- Provide written notification to all potential bidders. Notification form is included in the HSP package. Use of this form is highly recommended.
- You must allow HUBs at least seven (7) working days to respond to the notice prior to your submitting your response to the contracting agency (does not include the day notice was sent).
- Notify a minimum of two (2) minority or women trade organizations or development centers of subcontracting opportunities (reference list attached to Rider 104 HUB Plan for contact information).
- Notify a minimum of 3 HUBs for each trade identified for the project.
- Provide written justification of the selection process if a HUB is not selected.
- Include supporting documentation of all GFE (notification and HUB responses).

**Important:** Failure to submit required documentation may result in rejection of your HUB Plan and subsequently your proposal. **
**Causes for Rejection:**
- Failure to submit a completed HSP
- Failure to provide 7 (seven) working day notice to HUBs
- Failure to properly notify HUBs and/or provide sufficient information to bid
- Failure to notify minimum of two trade organizations
- Failure to include supporting documentation of all Good Faith Efforts
- Telephone logs are not accepted as documentation of good faith efforts; only fax, e-mail and written correspondence are acceptable

**General Guidelines for Completing HSPs**
Read completely the HSP Rider 104 provided in the solicitation.

To enhance the successful outcome of review of the HSP, MD Anderson offers the option to submit the HSP for a complimentary review. The HSP must be filled out in its entirety to be eligible for a courtesy draft review. Place "Draft HSP" in your subject line of the email and submit no later than 48 hours in advance of the solicitation due date. The courtesy review is contingent upon HUB Program staff availability and is limited to one per vendor per solicitation.

Should you encounter a unique situation that has not been addressed, contact the HUB Program office. In addition, a video short is available emphasizing important points to follow.

**Training Video**
To access the training video, visit: [www.mdanderson.org/hub](http://www.mdanderson.org/hub)
- Select “Subcontracting Program”
- Select “Training Video Overview of Rider 104”

**Following the Award:**
**Notification of Award to Subcontractors:** Within ten (10) days following signing of the contract, contractor must notify in writing the subcontractors of their award (Section 4 Affirmation); copy of the notice must also be provided to the contracting agency’s point of contact for the contract.

**Reporting:** If subcontracting, Progress Assessment Reports (PARs) will be required monthly, by the 10th of the month, documenting payments to all subcontractors, HUB and non-HUB.
