SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

- 1.1 **GENERAL INFORMATION:** The University of Texas M. D. Anderson Cancer Center (“Owner”) is soliciting statements of qualifications (“Qualifications”) from qualified respondents (each, a “Respondent”) for selection of a Construction Manager-at-Risk for its project number 19-0808, Renovate T. Boone Pickens Academic Tower Floors 20-21 (“Project”), in accordance with the terms, conditions, and requirements set forth in this Request for Qualifications (“RFQ”).
- 1.1.1 This RFQ is the first step in what may be up to a three-step process for selecting a Construction Manager-at-Risk (“Construction Manager”) for the Project as provided by Texas Education Code §51.782(e). This RFQ provides the information necessary to prepare and submit Qualifications for consideration and initial ranking by Owner. Based on the initial ranking, Owner may select up to five (5) of the top-ranked Respondents to this RFQ to participate in the second step of the process, Request for Proposals (“RFP”).
- 1.1.2 In the second step of the process, each of the top-ranked Respondents to this RFQ, determined as described in Section 1.1.1, will be required to submit additional information to Owner, including a fee proposal and a proposed limitation on general conditions costs (“Proposal”). Owner will rank the Proposals in the order that they provide the apparent “best value” for Owner based on the published selection criteria and on the ranking evaluations.
- 1.1.3 In the third step of the process, Interviews, each top-ranked Respondent may be required to attend an interview with Owner to confirm its Proposal and answer additional questions. Owner will then rank the remaining top-ranked Respondents in order to determine the “best value” offer.
- 1.1.4 Capitalized words or phrases appearing in this RFQ but not defined herein shall have the meaning ascribed to them in the Owner’s standard *Agreement Between Owner and Construction Manager-at-Risk*, a copy of which is attached to this RFQ (the “Agreement”), or in the Uniform General Conditions for University of Texas System Building Construction Contracts (the “UTUGCs”) attached thereto.
- 1.2 **PUBLIC INFORMATION:** All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act (*Texas Government Code*, Chapter 552.001, *et seq.*) after the agreement is executed.
- 1.2.1 Owner strictly complies with all statutes, court decisions, and opinions of the Texas Attorney General with respect to disclosure of information related to solicitations.

- 1.3.1 Time is of the essence for this Project. Any request to modify any terms or conditions of the Agreement or any of its attachments, riders or exhibits will be taken into consideration before Owner selects a Construction Manager for the Project.
- 1.3.2 In anticipation of the second step, RFP, see Section 1.1.2, Respondent should carefully review the Agreement and all of its attachments, riders and exhibits. Respondent understands and acknowledges that the second step will require Respondent to clearly communicate, in writing, all terms and conditions of the Agreement (including all attachments, riders and exhibits) that Respondent will request to be changed before Respondent will sign the Agreement.
- 1.4 **CLARIFICATIONS AND INTERPRETATIONS:** Any clarifications or interpretations of this RFQ that materially affect or change its requirements will be posted by Owner as an addendum on the MD Anderson web site (<http://www.mdanderson.org/departments/bids>). It is the responsibility of each respondent to obtain this information in a timely manner. All such addenda issued by Owner before the Qualifications are due are part of the RFQ, and respondents shall acknowledge receipt of and incorporate each addendum into its Qualifications.
- 1.4.1 Respondents shall consider only those clarifications and interpretations that Owner issues by addenda three (3) days prior to the Submittal Deadline. Interpretations or clarifications in any other form, including oral statements, will not be binding on Owner and should not be relied on in preparing Qualifications.
