Questions and Answers

1. Will this project require a PSA or PSC on site? **Project requirements for PSC and PSA, as well as number needed for project size, are listed in specification section 01 35 23 Project Safety Requirements, section 2.4.**
2. Questions 3.1.9 and 3.4.10 appear to be repeats. Should both be answered? **Questions 3.1.9 and 3.4.10 are duplicates and only one needs to be answered. Please include your answer as part of 3.1.9 and delete the question from 3.4.10.**
3. For the various page limits shown, 50 pages overall, and 2 pages for Section 3.1, is this double-sided? Meaning is it 100 pages of content, or 25 pages double-sided? **Requirement is for 50 print pages overall; if the proposal is printed single sided it will be 50 pages, if it is printed double-sided it will be 25 pages.**
